

HIDDEN HILLS

ROLE:

Development & Design

LOCATION

Los Angeles, USA

AREA:

12400 sq.ft

YEAR:

2021

DESIGN OBJECTIVE

Interior will always be the cradle of our creativity. We have created a real fantasy world here with a riot of greenery, bright accents and massiveness. Seems like we are departing from neoclassicism and getting into the world of fantasy.

We always hew to our principles — so we keep the master block the most important. That's how bedroom & bathroom become something more than just and ordinary places for having rest.

REAL VIEW OF THE FINISHED PROJECT:
